

Pocklington District Beaver Scout Incident Hike

What is the Incident Hike?

The incident hike is a non-timed hike. The hike is approximately a 3 miles course starting and finishing at the Everingham Village Hall, with walking teams being assisted by at least one walking leader who will be responsible for guiding the young people to each base along the route.

Along the route there are 4 incident bases, one run by each group except the hosting group, where tasks and/or incidents are set, with the possibility of 1 to 2 further check point with no incident, most likely road crossing etc, each base should take no longer than 10 minutes. The base must be able to accommodate 2 teams at a time and once the time is up the team needs to be moved along as to not hold up the overall event.

Each team will consist of between 4-6 walkers plus a leader, with the teams being scored at each base for their teamwork and ability to complete the task. A max of 10 points will be up for grabs for both teamwork and ability to complete the task. A total of 80 points can be earned Each team will need to submit to a kit check, yes this means everything out and repacked prior to departure. If the kit check is failed, the team will not be allowed to hike until the problems are resolved.

Who Can Go?

The hike is open to all Cub scouts within our district.

Cost

The cost for the Hike is £15 per team to cover costs of the day.

DBS

The Scout Association rules mean that any adult helping with the running of the event (Kit Check, Map Check, Checkpoints, Support Teams etc) **MUST** have a valid Scout issued disclosure check. Accountability for this rests with the section leader in each group, we will ask you to declare that all adults assisting your group are registered as at least an Occasional Helper (on Compass) and have a valid Scout issued disclosure check.

I will require completed team forms from each Troop by Friday 31st January 2025, please email the forms to 'peter.kirby@pocklingtondistrictscouts.org.uk'
